6. Player has to walk towards tree and without feeling for tree stick Zacchaeus on the branch.
7. Person who sticks Zacchaeus closest on the branch is the winner.

2. Eye Spy

Instructions:

1. Choose 1 player to be the spier.
2. The spier says: "I spy with my little eye something beginning with ..." [or with young kids "I spy with my little eye something that's red (or whatever colour you choose.)"]
3. Everyone then guesses what they are spying, with the spier only allowed to answer yes/no.
4. Once the object or colour has been guessed correctly, the next person can take a turn and become the Spier.
