

# SERMON ON THE MOUNT

## Craft & Game Ideas

### 1. "Judging" Game

Use this game to highlight that we don't always see things clearly. Only God truly knows what people are like. Therefore, only God's judgment is right and final. God wants us to love others not judge them.

#### You will Need:

- Paper bag or alternative - just make sure you can't see through it
- A selection of different objects.

#### Instructions:

- One person puts an object in the bag. Another person tries to judge what's in the bag by feel (or with clues if playing over Zoom)
- If playing with multiple people, the first person to guess the object wins. Repeat after changing the object in the bag.

### 2. "Log" hide and seek... with glasses

#### You will Need:

- Pipe cleaners/straws/sticky tape; to make glasses with.
- Rectangle object (Eg., kit Kat, rectangle lego) to be the Log.

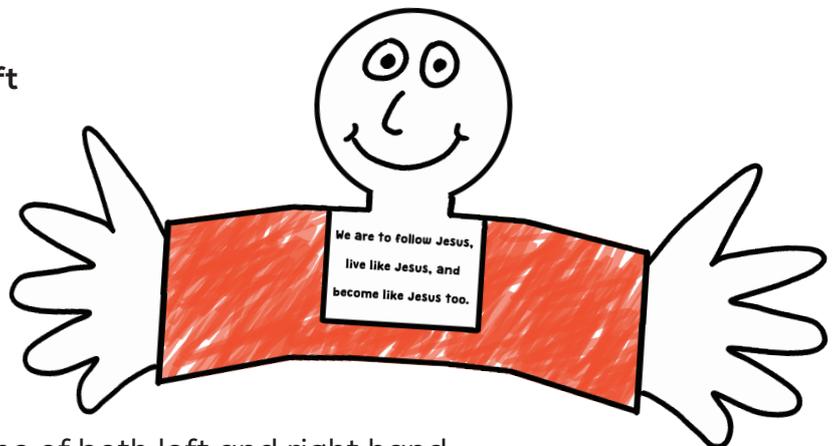

#### Instructions:

- Make a crazy pair of glasses out of pipe cleaners &/or straws.
- Put glasses on to play "Log".
- Hide the Log around the place, and see if others can find it.
- Once played a few times, discuss Jesus' words in Matthew 7:4-5.

### 3. Reminder to live like Jesus craft
